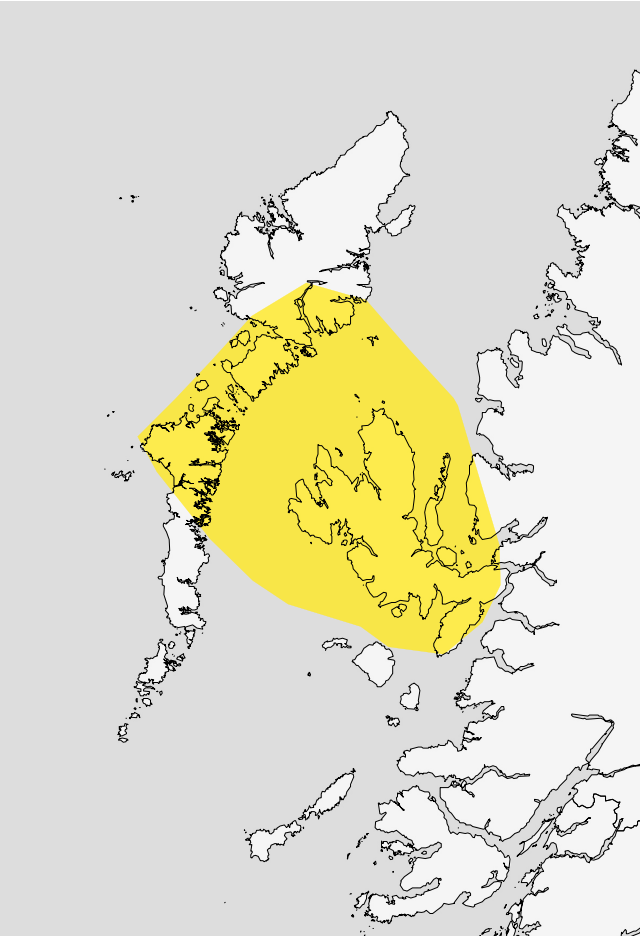
Yellow warning
Rain

Between
00:00 Mon 27 May 2024 and
09:00 Mon 27 May 2024



Heavy rain bringing localised flooding and travel disruption.

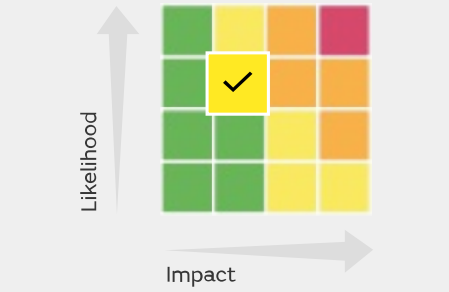
What to expect

- Flooding of a few homes, businesses and campsites is possible.
- Spray and flooding on roads probably making journey times longer

Further details

An area of heavy rain will become slow-moving over Skye and parts of the Outer Hebrides on Sunday night and into Monday morning. While accumulations are uncertain, 25-35 mm seems likely to fall quite widely within a 6 to 9 hour period, with perhaps as much as 40-50 mm in a few locations.

What should I do?
Check if your property could be at risk of flooding. If so, consider preparing a flood plan and an emergency flood kit.



Medium likelihood of low impacts
